In case of the applications with the exams not listed above, the evaluation of the documents and categorization will be made by the Directorate of International Student Center.

The International Student Center Directorate may issue an acceptance letter by evaluating the students' diplomas who are unable to submit other documents and apply with a high school diploma.

5. EVALUATION

Among the candidates who meet the application requirements for each program, according to quotas, firstly, principal candidates are determined, and then reserve candidates are determined for three times as much as quotas.

Instead of the principal candidates who do not register, the new students are announced from the reserve list, and they are registered.

A candidate who is placed in a program and who has the right to register from the main or reserve list cannot be included in the main or reserve list of another department, even if it is among his/her preferences.

The evaluation of the applications and the placement of the candidates are made according to the Entry Score, provided that they meet the minimum requirements in these principles.

In case of equality in placement scores

- The priority is given to those born earlier,
- Then, newly graduates from secondary education are preferred.

Candidates who are entitled to the principal or reserve registration will be able to access the placement results on the application pages on the dates specified in the International Student Calendar.

Invitation letters which are informing the registration dates are prepared for those who are entitled to register. Candidates get their invitation letters from the application page. On the dates specified in the calendar, they make their final registrations to the International Student Office, provided that they submit the following written documents (Section 6). Candidates who do not register within the registration dates lose their rights.

SPECIAL TALENT EXAM

Applications made to education units that accept students with the Special Talent Exam are evaluated as follows, taking into account the criteria in the Sakarya University Special Talent Examination Guidelines.

a- Firstly, the candidate's Entry Score is calculated.

b- Special Talent Exams are evaluated out of 100, and candidates who score below 50 points from the special talent exam are considered unsuccessful and are not be evaluated.

c- 30% of the candidate's Entry Score and 70% of the Special Talent Exam Score are taken, and the placement score is created.

The candidates who preferred the programs that accept students with both Entry Score and Special Talent Exam Score can be placed in both programs. However, they can only enroll in one of the programs in which they are placed.

6. REQUIRED DOCUMENTS FOR REGISTRATION

Registrations are made in person at the Student Affairs Office.

(Those who will register with the warrant of attorney should make an apostille in their country or have certified in Turkish Consulate. Registration will not be made without confirmation of the warrant of the attorney.)
