2. DETERMINING QUOTA

Quotas;

The admission principles of students from abroad are determined by the decision of the University Senate in accordance with the A-General Principles 2/b-c paragraphs of the Presidency of the Council of Higher Education on the Admission and submitted to the approval of the Council of Higher Education. (It has been determined that 10% of the quotas cannot be exceeded in the Teaching, Law, Medicine and Dentistry programs for Turkish Citizens studying abroad and Turkish Citizens, who one of citizenship is a Turkish citizenship, and candidates who have a Blue Card, in accordance with the relevant article.)

With the letter of the Council of Higher Education dated 10.05.2023 and numbered E-75850160-301.02.02-32987, it has been determined that 10% of the quota cannot be exceeded according to the nationality of the candidates to be placed in Medicine and Dentistry Programs.

The University Senate decides to fill the vacant quotas with additional placement due to the lack of applications for the quotas and/or the non-registration of the placed candidates.
Sakarya University is free to fill the quotas or not.

3. ONLINE APPLICATION PROCEDURES

(1) Applications are made on the SAU website on the dates specified in the academic calendar.

(2) During the application, students will fill in the information requested from them and upload the necessary documents to the system.

(3) Application documents must be in Turkish or English.

(4) The application of the candidate whose missing information and/or documents are found in the evaluation will be cancelled.

(5) Candidates who will apply with a High School Graduation Grade must upload a document showing their High School Graduation Grade.

(6) Applications with Online YÖS Exams and other YÖS Exams that do not have a Verification Page will not be accepted.

(7) Applicants who will apply to the Department of English Language Teaching and the Department of English Translation and Interpretation must upload the required Language Proficiency or Exemption Document.

(8) The originals of the documents uploaded during the application will be delivered to the registration officers during the final registration.

(9) Each candidate can only make one application, and they can choose a maximum of 3 departments in this application. All applications of candidates who are found to have more than one application will be cancelled.

(10) All transactions will be made with the Candidate ID number created at the time of application, and requests and questions of those who do not specify a Candidate ID will not be taken into account.

(11) Special conditions and explanations for the departments to be preferred are included in the Quota Table and it is recommended to be carefully examined.

4. ENTRY SCORE

Types of Exams to be accepted and Base Scores are given in Table 1/Table 2/Table 3/Table 4.

• High School Diplomas that are not defined in the application system will not be evaluated and categorized by the International Student Center.

• In case of an application with exams not listed, the evaluation and categorization of the submitted document will be made by the International Student Center Directorate.

• The International Student Center Directorate will give the acceptance letter according to evaluation of the diplomas of students who are unable to submit other documents and apply with a high school diploma.

5. EVALUATION

• Among the candidates who meet the application requirements for each program, according to quotas, firstly, principal candidates are determined, and then reserve candidates are determined for three times as much as quotas.

• Instead of the principal candidates who do not register, the new students are announced from the reserve list, and they are registered.

• A candidate who is placed in a program and who has the right to register from the main or reserve list cannot be included in the main or reserve list of another department, even if it is among his/her preferences.

• The evaluation of the applications and the placement of the candidates are made according to the Entry Score, provided that they meet the minimum requirements in these principles.

   • In case of equality in placement scores
      - The priority is given to those born earlier,
      - Then, newly graduates from high school are preferred.

• Candidates who are entitled to the principal or reserve registration will be able to access the placement results on the own application pages on the dates specified in the International Student Calendar.

• Invitation letters which are informing the registration dates are prepared for those who are entitled to register. Candidates get their invitation letters from the application page. (https://yosyerlesme.sabis.sakarya.edu.tr) On the dates specified in the calendar, they make the final registration at the International Student Office, provided that they submit the documents written below. Candidates who do not complete the registration process within the registration dates lose their rights.

SPECIAL TALENT EXAM

Applications made to education units that accept students with the Special Talent Exam areevaluated as follows, taking into account the criteria in the Sakarya University Special Talent Examination Guidelines.

   a- Firstly, the candidate's Entry Score is calculated.

   b- Special Talent Exams are evaluated out of 100, and candidates who score below 50 points from the special talent exam are considered unsuccessful and are not be evaluated.

   c- 30% of the candidate's Entry Score and 70% of the Special Talent Exam Score are taken, and the placement score is created.

The candidates who preferred the programs that accept students with both Entry Score and Special Talent Exam Score can be placed in both programs. However, they can only enroll in one of the programs in which they are placed.
