2. DETERMINING QUOTA

Quotas;

- The admission principles of students from abroad are determined by the decision of the University Senate in accordance with the A-General Principles 2/b-c paragraphs of the Presidency of the Council of Higher Education on the Admission and submitted to the approval of the Council of Higher Education. (It has been determined that 10% of the quotas cannot be exceeded in the Teaching, Law, Medicine and Dentistry programs for Turkish Citizens studying abroad and Turkish Citizens, who one of citizenship is a Turkish citizenship, and candidates who have a Blue Card, in accordance with the relevant article.)

- With the letter of the Council of Higher Education dated 10.05.2023 and numbered E-75850160-301.02.02-32987, it has been determined that 10% of the quota cannot be exceeded according to the nationality of the candidates to be placed in Medicine and Dentistry Programs.

- If there is no application for the quota of the program that will accept students from abroad or if the quota is not filled, the quotas that are not filled and/or there are no applications; Can not to be transferred to Dentistry, Pharmacy, Law, Teaching and Medicine programs,
- For other programs, the relevant faculty / college / vocational school programs in which the program is included
- Quota transfer can be made by the relevant boards of universities, It is decided by the University Senate to fill the vacant quotas with additional placement due to the lack of application for the quotas and/or the non-registration of the placed candidates.
- In the event that the stipulated quotas are not filled, students can be admitted by the Coordination Office with the same methods outside the application calendar, taking into account the score and preference superiority, provided that international students apply online. Those who are admitted in this way are directed to preparatory education.
- Sakarya University is free to fill the quotas or not.

3. CONTRIBUTION/TUITION FEE

- The amount of tuition fees to be charged from the students who will enroll within the quotas of students from abroad is determined by the University Administrative Board, within the range of the coefficients determined in line with the Presidential Decree published in the Official Gazette every year and the "Decision on the Determination of Contributions and Tuition Fees to be Received as Student Contribution to Current Service Costs in Higher Education Institutions".

- International students who become citizens of the Republic of Turkey after registering with the international student admission registration quota continue to pay the tuition fee determined by the University Administrative Board.

- The tuition fees paid by the students admitted to the university for registration are not refunded. Failure to obtain a visa or residence in any way, enrollment in another university, change of program and department, waiver of the student's right to admission, registration of students in Turkish language courses, Turkish learning centers or Turkish Learning Center of our University, does not require reimbursement of the fee

4. APPLICATION PROCEDURES

(1) Applications will be received online on the dates specified in the academic calendar from the Sakarya University International Student Center application page "https://yosyerlesme.sabis.sakarya.edu.tr" web address. Candidates will be given the opportunity to make 3 (three) choices, and the placement process will be made starting from the first choice.

(2) During the application, the information must be entered into the system without errors, the documents must be legibly and fully uploaded, and no changes can be made to the information and preferences. (Each candidate is able to apply only once. If it is determined that more than one application has been made, other applications will not be evaluated.)

(3) Application documents must be in Turkish or English.

(4) The application of the candidate who is found to have missing information and/or documents in the evaluation will be canceled. Candidates' own statements regarding whether they meet the application requirements will be taken into account. Candidates who do not meet the application requirements and apply and make a preference by making false statements will not provide them with a right even if they are placed.

(5) Candidates who will apply with a High School Graduation Grade must upload a document showing the High School Graduation Grade.

(6) Candidates who will apply to the Department of English Language Teaching and the Department of English Translation and Interpreting must upload the required Language Proficiency or Exemption Certificate.

(7) The originals and certified copies of the documents uploaded during the application will be submitted to the registrars during final registration.

(8) During the application, placement and registration process; Even if final enrollment have been made as a result of falsified, fake, incomplete and incorrect documents or information entry/declaration, their transactions are canceled/records deleted at every stage detected. The tuition fees paid are non-refundable. (SAU reserves the right to take legal and criminal action in this case.)

(9) All processes will be made with the Candidate ID number created during the application, and the requests and questions of people who do not specify the Candidate ID will not be taken into consideration.

(10) Special conditions and explanations of the departments to be preferred are included in the Quota Table and it is recommended to be carefully examined.

(11) Applications submitted in person or via email will not be accepted.

Table 4

High School Graduation Grades	Explanation
When the success grade in applications with High School Graduation Grade is converted to the hundred-point system	*At least 80 success grades in the programs of the Faculty of Engineering (Departments that can be applied "Food Engineering, Environmental Engineering and Metallurgical and Materials Engineering") Undergraduate programs with at least 60 achievements*, Associate Degree programs with at least 50 success

• (High school diploma is not accepted for the Faculty of Medicine, Faculty of Dentistry, Faculty of Computer and Information Sciences, Faculty of Engineering, Faculty of Law, Architecture, Visual Communication and Design, Management Information Systems programs.)

• (Turkmenistan-Afghanistan-Syria High School Diploma cannot be applied.) (Those who have completed all of their high school education in Afghanistan Maarif Schools can apply)

• High School Diplomas that are not defined in the application system will not be evaluated and categorized by the International Student Center.

• In case of an application with exams not listed, the evaluation and categorization of the submitted document will be made by the International Student Center Directorate.

• The International Student Center Directorate will give the acceptance letter according to evaluation of the diplomas of students who are unable to submit other documents and apply with a high school diploma.

6 EVALUATION

• Among the candidates who meet the application requirements for each program, according to quotas, firstly, principal candidates are determined, and then reserve candidates are determined for three times as much as quotas.

• Instead of the principal candidates who do not register, the new students are announced from the reserve list, and they are registered.

• Candidates who are entitled to register from the main or reserve list are placed in only one department/program. There is no right of preference and placement for the second time.

• The evaluation of the applications and the placement of the candidates are made according to the Entry Score, provided that they meet the minimum requirements in these principles.

  • In case of equality in placement scores
    - The priority is given to those born earlier,
    - Then, newly graduates from high school are preferred.

• Candidates who are entitled to the principal or reserve registration will be able to access the placement results on the own application pages on the dates specified in the International Student Calendar.

• Invitation letters are prepared for the candidates who are entitled to register, informing them of the registration dates. Candidates obtain their invitation letters from the application page (https://yosyerlesme.sabis.sakarya.edu.tr).

• Candidates who are admitted to our university are required to obtain a "student visa" from consulates/embassies by obtaining an "acceptance letter" from the application system. Embassies and Consulates can verify their acceptance letters with the "Acceptance Letter Number". A separate letter of acceptance is not sent to candidates, embassies, consulates and intermediary institutions.

• Protocols can be made between our university and state (official) institutions. Students can be admitted to all faculties and colleges within the scope of these protocols. In this context, students can be admitted according to the diploma grade, not the result of the YÖS exam in the admissions.

• On the dates specified in the calendar, they make their final registration to the International Student Center, provided that they submit the following documents.

7 SPECIAL TALENT EXAM

Applications made to education units that accept students with the Special Talent Exam are evaluated as follows, taking into account the criteria in the Sakarya University Special Talent Examination Guidelines.

  a- Firstly, the candidate's Entry Score is calculated.

  b- Special Talent Exams are evaluated out of 100, and candidates who score below 50 points

from the special talent exam are considered unsuccessful and are not be evaluated.

     c- 30% of the candidate's Entry Score and 70% of the Special Talent Exam Score are taken, and the placement score is created.

The candidates who preferred the programs that accept students with both Entry Score and Special Talent Exam Score can be placed in both programs. However, they can only enroll in one of the programs in which they are placed.
